

SGPW |

In wall manifold box, 700 mm high
for central heating manifolds

Material:	Steel sheet
Corrosion protection:	Degreasing
	Zirconium surface Powder coating
Color:	White [01]
Warranty:	2 years
Purpose:	For installing heating manifolds in the central heating system

KEY FEATURES:

- Galvanized cabinet body - joined without welding
- Cabinet body made of one sheet of metal
- Fixing for control bar - EURO rail
- The SGPW 5 and 6 box are equipped with two locks
- The frame and door of the cabinet are entirely powder coated
- Easy, clean manifold assembly
- Wide access to the manifold during installation
- Less chance of damaging the cabinet frame and door, thanks to the possibility of removing the frame with the door.
