

Type:	ADP - vertical radiator
Material:	low carbon steel
Construction:	pipe $\varnothing 20$ collector profile D 40 x 30
Work pressure:	up to 1,0 MPa
Work temperature:	up to 95°C
Standard equipment:	plug $\frac{1}{2}$ ", air vent $\frac{1}{2}$ " radiator bracket type Z 13
Finishing:	Standard colour white [01]
Threads:	$\frac{1}{2}$ " Gw
Connection:	STANDARD [11]
